Babies love playing peekaboo from about six months onwards, and once they latch on to this simple game, they can't get enough of it. DK's Peekaboo Books make the most of this great interactive activity and are the perfect way to get any baby interested in books.

In Dress-up Peekaboo! , five gorgeous babies are hiding behind dressing-up clothes: the first baby is hidden by a big floppy hat, the second baby is behind a colorful silky scarf, the third baby is hidden by a fairy princess wand, the fourth baby is behind a cowboy hat, and the fifth baby is hidden by the dressing-up box!
