What's the best way to share your love of books with friends? By starting a book club! This kit includes invitations, bookmarks, and calendars to help you get your club off the ground. Theme cards offer suggestions for American Girl books to read and discuss, or you can branch out to other favorite titles. Forty question cards will keep you and your friends talking about any book you read. There's even an online

component--more book club resources on the American Girl Web site. With a handbook full of start-up suggestions and advice, you can take your book club from fun to fabulous!
