Ballet Kitty wakes up in the pink--ballerina pink, of course--until she realizes she can't find her slippers anywhere. Suddenly her leaps aren't as lighthearted or her pirouettes as pretty. Where could they be? she mumbles and grumbles. How can she dance in her clunky old sneakers? But very quickly Kitty discovers that as long as she's doing her most perfect plies and cutest curtsies, she'll always be happy...right from her head to the tips of her little pointed toes Bernette Ford's delightful dance-loving story and Sam Williams's charming pas de deux of pussycats will inspire every little ballerina
