Derek Black grew up at the epicenter of white nationalism. His father founded Stormfront, the largest racist community on the Internet. His godfather, David Duke, was a KKK Grand Wizard. By the time Derek turned nineteen, he had become an elected politician with his own daily radio show - already regarded as the "the leading light" of the burgeoning white nationalist movement. "We can infiltrate," Derek once told a crowd of white nationalists. "We can take the country back."

Then he went to college. Derek had been home-schooled by his parents, steeped in the culture of white supremacy, and he had rarely encountered diverse perspectives or direct outrage against his beliefs. At New College of Florida, he continued to broadcast his radio show in secret each morning, living a double life until a classmate uncovered his identity and sent an email to the entire school. "Derek Black...white supremacist, radio host...New College student???"

The ensuing uproar overtook one of the most liberal colleges in the country. Some students protested Derek's presence on campus, forcing him to reconcile for the first time with the ugliness his beliefs. Other students found the courage to reach out to him, including an Orthodox Jew who invited Derek to attend weekly Shabbat dinners. It was because of those dinners--and the wide-ranging relationships formed at that table--that Derek started to question the science, history and prejudices behind his worldview. As white nationalism infiltrated the political mainstream, Derek decided to confront the damage he had done.

Rising Out of Hatred tells the story of how white-supremacist ideas migrated from the far-right fringe to the White House through the intensely personal saga of one man who eventually disavowed everything he was taught to believe, at tremendous personal cost. With great empathy and narrative verve, Eli Saslow asks what Derek's story can tell us about America's increasingly divided nature. This is a book to help us understand the American moment and to help us better understand one another.

作者介绍:

Eli Saslow is a Washington Post staff writer and author of Ten Letters: The Stories Americans Tell Their President. He won the Pulitzer Prize for Explanatory Reporting in 2014 and was a finalist for the Pulitzer Prize for Feature Writing in 2013, 2016 and 2017. He lives in Oregon with his wife and children.

评论

几天就读完了，非常fascinating! 感觉也是education的力量，也是爱的力量，也是理性思考的力量。

bad
blood之后首次对一本书有停不下来的感觉。Derek的转变再次让我确信了独立批判性思考能力的重要。接触到一个观点的时候先问问背后的逻辑是什么，这逻辑合理吗，用来支撑的assumptions是不是错的；想要批判别人观点的时候，可以批判逻辑，可以指出assumption或数据的错误，don't attack the person.

White nationalism has always been there.看完对现状更绝望了……

amazing and sensitive writing of the full transformation of a white nationalist.
感觉Dereck Black的转变是天时地利人和 缺了一个都不行 他爸最后和他说
你看我们WN终于变成主流了 这不就是你曾经想要的吗 真是太唏嘘了

2019 top 10.的确是停不下来一直读完的一本书。
