Don't Panic: collected together in the Hitchhiker's Guide Trilogy are the five titles that comprise Douglas Adams' wildly popular and wholly remarkable comedy science fiction series, with a special introduction from the author. The Hitchhiker's Guide to the Galaxy One Thursday lunchtime the Earth gets unexpectedly demolished to make way for a new hyperspace bypass. For Arthur Dent, who has only just had his house demolished that morning, this seems already to be rather a lot to cope with. Sadly, however, the weekend has only just begun. The Galaxy may offer a mind-boggling variety of ways to be blown up and/or insulted, but it's very hard to get a cup of tea. The Restaurant at the End of the Universe When all questions of space, time, matter and the nature of being have been resolved, only one question remains - 'Where shall we have dinner?' The Restaurant at the End of the Universe provides the ultimate gastronomic experience, and for once there is no morning after to worry about. Life, the Universe and Everything Following a number of stunning catastrophes, Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown... So Long, and Thanks for All the Fish There is a knack to flying. The knack lies in learning how to throw yourself at the ground and miss. It's not an easy thing to do, and Arthur Dent thinks he's the only human who's been able to master this nifty little trick - until he meets Fenchurch, the woman of his dreams. Fenchurch once realised how the world could be made a good and happy place. Unfortunately, she's forgotten. Convinced that the secret lies within God's Final Message to His Creation, they go in search of it. And, in a dramatic break with tradition, actually find it... Mostly Harmless Arthur Dent has settled down on the small planet Lamuella and has embraced his role as a Sandwich Maker. However, his plans for a quiet life are thrown awry by the unexpected arrival of his daughter. There's nothing worse than a frustrated teenager with a copy of the Hitchhiker's Guide to the Galaxy in their hands. When she runs away, Arthur goes after her determined to save her from the horrors of the universe. After all - he's encountered most of them before... Share and enjoy Douglas Adams' mega-selling trilogy in five parts - now in one handy paperback volume - charting the whole of Arthur Dent's hilariously strange odyssey through space and time.

作者介绍:

Douglas Adams created all the various and contradictory manifestations of The Hitchhiker's Guide to the Galaxy: radio, novels, TV, computer game, stage adaptations, comic book, and bath towel. He lectured and broadcast around the world and was a patron of the Dian Fossey Gorilla Fund and Save the Rhino International. Douglas Adams was born in Cambridge, UK and lived with his wife and daughter in Islington, London, before moving to Santa Barbara, California, where he died suddenly in 2001. In addition to the Hitchhiker series, he is also the author of the Dirk Gently novels: Dirk Gently's Holistic Detective Agency, The Long Dark Tea Time of the Soul, as well as the nonfiction Last Chance To See and the unfinished The Salmon of Doubt.

评论

终于读完了，表示以后再也不想傻乎乎地买合集了（不然根本可能看最后两部的好伐！）…有趣并不代表乐观，但活着还是有趣一点好，感谢陪伴吧，R.I.P。

神烦的文风也算是一种英式幽默吧 第一部最有意思 写到后面就重复/无聊了起来。。。

个人认为是世界上最好看的书

英国信仰充值买的,真tm贵,但是我好爱(……………) 有收录别的一些小内容,很有意思。字面意义上的brick.
