Girlology. It has exploded beyond just a word. Girlology is a culture that preteen and teen girls know and love and turn to for honest true-life advice on everything that matters most--friends, guys, body changes, dating, and sex. In Hang-Ups, Hook-Ups, and Holding Out, girls will follow the true stories of four girls and their choices-- good and bad . And they'll get answers to the questions teen girls are asking every day on the popular website [www.girlology.com](http://www.girlology.com) and in private sessions with Drs. Holmes and Hutchison, the co-creators of Girlology--questions like: - What's up with this acne? Will

it ever end? - Is it ok to shave my hair down there? - If I keep looking at other girls in the locker room, does that mean I'm gay? - Am I the only girl who isn't having sex? - Is oral sex really 'sex'? - If I've only had oral sex, then I'm still a virgin, right? - There's a guy at school who says he wants to hook up with me. What does he mean by 'hook up'? Life can get complicated for girls today. With Hang-Ups, Hook-Ups, and Holding Out, it just got a lot easier.
