The Alphabet Flat Fish come in a set of 54 interlocking foam fish (9 each of 6 different

colors--red, yellow, blue, green, purple, orange). Each fish measures 4" x 3" x 8mm thick and features an uppercase or lowercase letter printed on one side, with a textured surface on the reverse. Each fish has an eye hole for lacing. Includes 2 laces and an activity sheet. Packaged in a transparent plastic jar with screw-top lid and handle. This unique set of foam fish is non-toxic and washable and allows young children to develop their letter recognition skills through activities that involve matching uppercase and lowercase letters, sequencing letters, and spelling simple words. Supports current NCTE and IRA Standards.
