From Harold Bloom's now-canonical book "Shakespeare: The Invention of the Human" come the individual meditations on Shakespeare's comedies, tragedies, and historical plays. Each edition in the Harold Bloom Shakespeare Series will include the full text of the play, with editorial revisions by Harold Bloom. Harold Bloom on "As You Like It": ""As much set in an earthly realm of possible good as "King Lear" and "Macbeth" are set in earthly hells. And of all of Shakespeare's comic heroines, Rosalind is the most gifted, as remarkable in her mode as Falstaff and Hamlet are in theirs."" Each edition in the Harold Bloom Shakespeare Series will include the full text of the play, with editorial revisions by Harold Bloom.
