Each spread of this Halloween-themed activity book features two spooky photographs that appear identical. Eagle-eyed readers, however, will spot seven things that have changed from one photo to the other. Perfect for fans of the I Spy or Where's Waldo

series, the popular Spot 7 books offer benefits the other series dont: Comparing the two photos helps develop important reading skills, such as differentiation and visual memory. With a riddle on each spread and extra things to look for throughout the book, Chronicle's latest search-and-find activity book is sure to provide hours of spooky fun.
