Everyone got hooked on "Get Hooked", the first book from the coolest craft instructor ever, Kim Werker. Now even more girls can join the crochet crowd with "Get Hooked Again". The bright, cutting-edge graphic design of the book is enough to draw attention. But the real draw are the patterns. These are so exciting that it will be hard to choose just one favourite. Simple, step-by-step instructions show exactly how to get started. Then new crafters are ready for the patterns - but these aren't just any patterns. "Get Hooked Again" lights up those crochet hooks with Ruby Slippers, a Gidget Bucket Hat, a Camo Bag and much more. These patterns are so exciting and so "I want one!" that it's hard to choose. But why stop at one anyway? Make them all, wear them all, then make them again and give them to your friends.
