Chaos reigns in Aлыпium. The baby dragons have disappeared. King Piter has lost the trust of his people. Balor and Damon Stain will become the new rulers unless Erec Rex agrees to return and challenge them. Erec can't allow the evil twins to take over. But he knows if he becomes king, the power of the royal scepter could destroy him completely. As Erec performs the deadly quests he learns more about himself and his past. He discovers that the right path brings many risks and few rewards. When he delves into the very Substance that holds our world together, he must summon all of his strengths just to stay alive. Until Aoquesth, the dragon, gives him the biggest gift of all. The adventure continues in Kaza Kingsley's riveting sequel to the best-selling The Dragon's Eye. Follow Erec as he faces delicious villains, a harrowing battle, a secret admirer, missing memory shops, angry mobs, reincarnated ancestors, and ultimate sacrifice. The story is a wild ride of danger and thrills, where we , along with Erec, find out who the real monsters are.
