Play some brain games, CosmoGIRL! These 83 crosswords will give you a great mental workout—and chase away your boredom at the same time! Divided into easy, moderate, and hard levels, the puzzles all feature themes based on the most important events in her life, like “High School Prom,” “College Admissions Test,” and “Driver’s License.” There are puzzles about successful women past and present, as well as teen girls’ favorite spectator sport: celebrities! Regular CosmoGIRL! readers will recognize a few of the magazine’s favorite catchphrases—such as “Born to

Lead.” So even if she’s doing crosswords instead of her homework, one thing’s for sure—her brain will be sharper by the time those SAT’s roll around!
