著者:Marshall, James

出版者:Penguin USA

出版时间:1988-9

装帧:HRD

isbn:9780803705425

"With the same delightfully irreverent spirit that he brought to his retellings of Little Red Riding Hood, Marshall enlivens another favorite. . . . The illustrations are fraught with delicious humor and detail. Like its predecessor, perfect for several uses, from picture book hour to beginning reading."--Kirkus Reviews. Caldecott Honor Medal.
