出版者:Simon & Schuster

出版时间:1991-8

装帧:SAL

isbn:9780887080753

In an age of such obsession with appearance, this simple tale of a big, gentle fish and the qualities that make friendship real will touch children and encourage them to look again. Yoshi's remarkable batik illustrations capture all the charm and emotion of Big Al's character, and bring this story vibrantly and colorfully to life.
