Take an appetizing tour of the world with The Multicultural Cookbook for Students. Arranged by region and then by country, each group of recipes is preceded by a brief description of the geography, history, and culinary traditions of the country. Recipes list the number of people served per dish, the ingredients--with appropriate substitutions for more exotic items--the equipment needed, and easy-to-follow directions for the preparation of dishes. A glossary is also included. Recommended for grades 4-12.
