The classic first story about literature's most beloved pachyderm. After his mother is killed by a hunter, Babar avoids capture by escaping to the city, where he is befriended

by the kindly Old Lady. He becomes educated and cultured and, upon his return to the great forest, is crowned King of the Elephants. Translated from Jean de Brunhoff's original French, the adventures of the world's most popular elephant and his friends have enchanted an three generations. Delightfully amusing illustrations make this short collection of classic Babar tales a book to treasure for children young and old.

我原本以为英文世界里不会有读了让人很憋气的童书，结果还是有的……

所以这是……讽喻吗
