isbn:9781878668097

Biography of America's great sociologist and educator, who lived from 1868 to 1963. A major force in the Civil Rights Movement and for human rights around the world. Beautifully illustrated in full color by David H. Huckins, who was student at the time the book was published. Foreward is by past President of the NAACP, Benjamin L. Hooks  
Ages 10 to adult
