出版时间:1987-11

装帧:Pap

isbn:9780486255118

Twenty-six beautiful designs (one for each letter of the alphabet) contain flowers and plants whose names begin with the letter shown on plate. Keys to plates help identify

scores of common florals -- from apples, azaleas and artichokes to zucchini, zinnias, and the zebra plant. Educational fun for colorists of all ages.
