A new collection of old and familiar nursery rhymes -- rhymes that stay alive from

generation to generation because they move in lively rhythms. The words of these old favorites roll easily from the tongue, whether they be full of wisdom, humor or just plain nonsense. Many are fine poetry and serve as an important introduction to our literature. Hilda Offen's illustrations are very much in keeping with the spirit of the old familiar words. They will be a lasting joy to readers and listeners, young and old.
