Here is magic fun galore for kids and it is all packed into a compact and sturdy little box. Equipment and props for budding junior magicians include a card deck for tricks, a nested box that is just the right size to perform an impressive coin trick, a magic scarf and disappearing egg, a trick rope, and magic-motion foam balls. The Little Box of Magic Tricks also includes a set of eight miniature 24-page instruction books (size 2 1/2 " x 2 3/4 " each) with instructions for performing a number of feats of magic. Each color-illustrated mini-book focuses on a different aspect of the magician's art: \* Card Tricks \* Paper Tricks \* Disappearing Acts \* Coin Tricks \* Rope Tricks \* Optical Illusions \* Wizards \* and Mind-Bender Puzzles. Here is everything that kids need to get started for many hours of pure magic fun.
