isbn:9780060518172

There was once an old woman who had a potato farm and two hardworking, loving sons. But one day one son ran away to the army of the east; the other son joined the army of the west. Caldecott Honor artist Anita Lobel tells a powerful story of two brothers who become enemies at war, and their wise mother whose cleverness turns fighting into peace. A new, full-color edition of the timely and timeless tale "Potatoes, Potatoes."
