Only a child so quick-witted as Clemency Pogue, upon finding herself attacked by a

wicked, invincible fairy, would remember a lesson learned from the story of Peter Pan . She shouts "I don't believe in fairies," and when it doesn't work, keeps shouting it until the horrible little creature drops as dead as a gossamer-winged doorknob. But then a mischievous hobgoblin arrives to tell Clem that she's killed six other fairies around the globe, some bad, but mostly good. Even if it was a mistake, it's now Clem's duty to set the world aright. In his hilarious, action-packed debut novel, JT Petty does for burlap pants what holes have done for Swiss cheese.
