Detective Jeffrey Bones is back for another mystery in Bones and the Dog Gone

Mystery. Bones, Grandpa, and Curly the wonder detective dog, set off for the park. All seems well . . . until trouble strikes at the swing set. What happened to Bones' magnifying glass? Where is Curly? Did someone steal him? Good thing Bones has his detective bag. Or does he? This isn't turning out to be a very good day for Bones. Detectives find things. Can Detective Jeffrey Bones find the things he lost?
