Book Description The Picture Clue books are based on the traditional \"rebus Reader\" - using a picture as a tool for learning a word. On the sample spread, you can see where a picture is substituted for a word. This gives a young reader a sense of pride that she is \"reading\" the story. All pictures and vocabulary are on flashcards at the end of the book. A big ((wave)) washed ((Scooby)) and ((Shaggy)) out to sea. They are lost on an ((island)). Can the gang save them? And what will they eat?"
