"I told you. I don't need anyone " "Everyone needs someone. Parents, for instance; everyone needs parents." "I've got no parents." "Everyone's got parents." She thought for a second. "Unless you're an orphan." "I've got work to do. So get lost." "You're not very nice." He scowled. "Just because I'm in a wheelchair doesn't mean I've got to be nice." Mike's parents and sister are dead and his legs are gone. The horrific accident that shattered his life continues to haunt him. When he grudgingly returns to school and a life that he no longer understands, Mike is bitter and unwilling to participate in school life. To avoid one of his classes Mike agrees to put together a 50th Anniversary history of the school. Looking forward to time alone, he is annoyed when a young girl shows up in the archives on a regular basis. Sarah seems too young to be a student in the school, but her resemblance to Mike's sister and her bubbly personality have him intrigued. She gradually draws him out of his shell and manages to interest him in the archives project, and more importantly, in life itself. As their relationship grows and changes, Mike slowly becomes convinced that Sarah is more than just another student. When he discovers the shocking secret she is carrying, he sets out to give Sarah the peace that she so desperately needs. Waiting for Sarah is a compelling, convincing story from the masterful team of James Heneghan and Bruce McBay. The two have collaborated on a number of novels in the past. James Heneghan is the author of the bestselling The Grave and Flood.
