出版者:Enslow Pub Inc

出版时间:2003-9

装帧:LIB

isbn:9780766020450

This series focuses on high-interest, high-impact, compelling court cases in American history. The people involved in each case are highlighted, as is the impact these people and their cases had on society and history. These books are good for reports and classroom debates. Volumes include chapter notes, a glossary, a further reading list, Internet addresses, and an index.
