Benny knows losing things isn't fun. And losing keys can be very bad But Benny hasn't lost the keys--he's found them--and now he'd like to help find the person they belong to. All he has are just a few clues Soon Benny and Watch are looking all over Greenfield. Will the clues lead them to the right person? Readers still too young for The Boxcar Children Mysteries are discovering their magic through this new series, The Adventures of Benny and Watch. (Books 1-8 are illustrated by Daniel Mark Duffy.) This series is available in paper only.
