Making Hanukkah candles is a perfect way to introduce or strengthen the family holiday tradition. This new addition to our popular line of book-plus kits comes complete with enough beeswax sheets and wicks needed to create 44 candles for the eight nights of Hanukkah, plus glitter to decorate the candles, and a beautiful box to hold them. The 48-page book contains a history of Hanukkah, directions for making and lighting the candles, prayers in Hebrew and English, and recipes, songs, and crafts to celebrate the Festival of Lights
