The five little monkeys and Mama are eager to get a new car. The five little monkeys clean and paint their old car until it sparkles like new. But who will buy it? Perhaps those clever monkeys can convince their cranky crocodile neighbors that what they really need is . . . yes, a car! Children will love predicting how the five little monkeys will deal with each new challenge, making this a perfect story for interactive reading. Lively verse and Eileen Christelow's inimitably comic illustrations put the five little monkeys in the driver's seat in more ways than one.
