There's nothing Violet loves more than music, and she plays or sings every chance she gets. But where are the other kids like her—kids who think and dream music all day long? As a baby, in kindergarten, at the beach and the zoo, she never gives up looking

for companions. And then one summer day... Bright, lively, and lyrical, this is a book for kids who march to a different drummer. Violet's Music sings to us that the right friend is always out there—as long as we keep looking and hoping, and above all, staying true to ourselves.
