Cool is cool and geek is geek, and at Eldridge the two definitely do not mix. Sari and Jess are best friends and total opposites. They've liked each other ever since they discovered that they are the only two normal people at Eldridge Alternative. As they prepare to face the trials of ninth grade, Sari is psyched. Jess is not. How can she face the Prada Mafia, the most evil clique in school? Or Mr. McGuinness's unnervingly long nose hair? What if something really interesting happens to Sari and nothing whatsoever happens to Jess? But not even Jess can predict the mayhem that erupts when Sari falls madly in love with David Cole. David is a senior. He's been dating Thea Melendez for forever. So he couldn't possibly be interested in Sari. Or could he? And if he is, where does that leave Jess?
