The mighty Toa have been unable to defeat Makuta -- and now they have only a single

chance left for victory. The fate of the island lies in the hands of an irresponsible young villager. Will he accept his destiny, or will the island of Mata Nui lie in darkness forever? The BIONICLE saga comes to a dramatic climax in the Miramax video, BIONICLE: MASK OF LIGHT. Packed with spectacular-full color DGI art, and easily accessible for a younger audience, this companion book will bring the adventure to life!
