Come behind the scenes for an up close look at America's favorite sport. You'll go to training camp where rookies and veterans hone their skills. You'll get an up close look

at the equipment they wear and use everyday. Then it's on to the locker room prior to a big match. See what happens before, during and after a game. Finally, come to the biggest game of all--the Super Bowl where the two best teams battle it out for the right to be called champions. Packed with photos from the N F L's own archives, this is an insider's view of life in the big leagues.
