These colorful, fun-filled books are perfect for capturing kids' interest and keeping them busy the whole trip. Four different books ensure there's plenty of entertainment on the way there and back. The My First Backseat Books series means the younger

ones aren't left out either. Features of the series include: - Updated maps This is a great first atlas to introduce young ones to the ways of the road. Each state features a simplified road map, state facts, and a fun state-related activity. Answers for all games and puzzles are in the back of the book with an index.- Travel games, songs, decoding puzzles, dot-to-dots, mazes, and word scrambles are a few of the cool activities in this book.- Cities, National Parks, and popular attractions in the six main regions of the U.S. are featured in this book. Each city or place includes a brief description and a different activity.- The largest book in the series with more than 200 pages of games and puzzles.
