出版者:Gareth Stevens Publishing

出版时间:2003-08

装帧:Library Binding

isbn:9780836837469

The twelve projects in each colorful volume of the Let's Create series are designed to broaden both imagination and practical skills. Clear, step-by-step instructions are photographically illustrated but leave plenty of room for independent ideas. The originality of the projects and the materials they use will ignite creativity and bring results that are as useful as they are artistic. Clay is truly a hands-on craft material.

Working with clay is sometimes messy--but always fun.
