Dyan Sheldon brings back the winning cast of characters from *CONFESSIONS OF A TEENAGE DRAMA QUEEN* in a new tale of suburban high school woe - told through the eyes of an endearingly unassuming heroine.

With perfect parents, perfect friends, and perfect poise, it seems like Ella Gerard has it all. But when Ella's new best friend (and resident drama queen), Lola Cep, nominates Ella to run for school president against her ex-best friend, the wickedly popular Carla Santini, many of the less-than-perfect aspects of Ella's life — and of her family's — begin to make themselves more than obvious. When the election votes are tallied, can Ella come out a winner without losing face? In this witty, poignant sequel to *CONFESSIONS OF A TEENAGE DRAMA QUEEN*, Dyan Sheldon brings back her winning cast of characters to tell another tale of suburban high school woe, this time through Ella's eyes.
