The Thanksgiving get-together becomes even more special when the youngest members can help with preparations. Kathy Ross, whose craft books have sold more than 1 million copies, dishes up 22 guaranteed-to-succeed Thanksgiving projects. The craft ideas include a Cornucopia Centerpiece, Turkey Napkin Rings, Pilgrim Place

Cards, and much more. All of the Thanksgiving-themed projects have step-by-step instructions and are made from everyday household items, and inexpensive supplies. The crafts make very satisfying parent/child projects for younger ones, while older children can do them on their own.
