From the grand and mythic Idylls of King Arthur to the tragic, rousing "Charge of the Light Brigade," Alfred Lord Tennyson's poetry explores a range of magical, dramatic, and thoughtful topics. This outstanding and stunningly-illustrated entry in the much-praised Poetry for Young People series gathers excerpts from 26 of his finest works. The biography and annotations by a distinguished scholar, and extraordinary

full-color paintings by a renowned artist on nearly every page, are the hallmarks of this acclaimed series. Youngsters will enjoy encountering Tennyson's "Mermaid"; the "Lotos Eaters"; and "Ulysses." A beautiful picture of "The Lady of Shalott," captures the sad heroine's isolation "in her four gray walls, and four gray towers." Images of a lonely man and a sweeping landscape illustrate Tennyson's masterpiece, In Memoriam . Plus: the haunting "The owl," the lullaby "Sweet and Low," "The Hesperides," and other immortal verses.
