"Little Horse had never known the sky to be so black, the air so still. He heard the big horses whinny again. Little Horse's fear grew. " The adventures of Little Horse continue

as he makes his way back to the valley of little horses and his mother. The storm sets Little Horse free from the fence holding him captive, free to do what he has wanted to do since the day the river carried him around its bend and away from his home—find his way back to the valley of the little horses and his mother. But where should he turn, and how will he ever return home alive with all of the obstacles facing him? Travel with Little Horse as he struggles against unfriendly horses, a malicious bird, a pouncing cat, a smoky fire, and more to find his way home.
