

Boat Alphabet Book

[Boat Alphabet Book 下载链接1](#)

著者:Pallotta, Jerry/ Biedrzycki, David (ILT)

出版者:Charlesbridge Pub Inc

出版时间:2003-2

装帧:Pap

isbn:9780881069112

With characteristic wit and humor, Jerry Pallotta explains basic nautical terms like hull, bow, and stern, and introduces more challenging topics, such as the workings of a steam engine. This book features boats and ships, from the gigantic aircraft carrier to the one-person kayak.
