Steig's classic word game - now available in color "C D C ? = See the sea?" "E-R I M = Here I am" "U F B-D I-S = You have beady eyes." To figure out William Steig's word puzzles, you need merely read the letters, numbers, and symbols aloud. If at first the

messages are unclear, there's a clever picture accompanying each to give you hints. Originally published in 1984 with black-and-white drawings, this title is given new life in this full-color edition painted by Mr. Steig. Also included for the first time is an answer key at the end.
