Now it's time to eat the ABC's! From blueberries to grapes, noodles to watermelon, this book is stuffed with fun, kid-friendly foods. On each full-color spread are photos of foods that begin with and form letters: a B is made out of blueberries, an O is made out of an orange, a Z is made out of zucchini sticks, and more! Babies will love the pastel colors and the big, bold letters. Toddlers will enjoy identifying the letters and the foods. And parents will find new foods for their little ones to try, as well as a new way to teach the alphabet!
