Spider-Man is back -- the web-slinging hero returns with a new enemy to face and a brand new range of film tie-in books! An action-packed chapter book with 8pp full colour picture insert featuring dramatic scenes from the movie. An in-depth re-telling, this book captures the excitement and adventure of Spider-Man's latest quest -- to defeat the new evil that is "Dr. Ock"! Young readers will thoroughly enjoy this fast-paced film tie-in tale. Peter Parker is back and trying to cope with his junior year of college while being a web-slinging hero. Just as it is all going horribly wrong with his family and friends, the nasty "Dr. Ock" comes on the scene to make Peter's life even more complicated.
