Didi's in a hurry to take her father to the best place on earth to the Brooklyn Promenade! Will she see dogs out for a walk? Will she hear a trumpet tune? One thing's for sure, there are plenty of surprises in store for Didi and Daddy as they spin, swirl, and twirl down the dizzy, busy, perfect Promenade. Here is a book that captures not only the sights and sounds of one of New York's main attractions but also the playful relationship between a spirited little girl and her dad. Marilyn Singer's bouncy, rhythmic text is paired with Marie-Louise Gay's vibrant illustrations, making this an ideal choice for preschoolers.
