On your toes! You can create short tutus, long-skirted outfits, and beautiful costumes from some of the world's best-loved ballets!

Mix-and-match sticker outfits with sticker tops, bottoms, and accessories make our Sticker Styles paper doll series unlike any other! Throw in not one, but two, cardstock paper dolls plus 16 pages of special paper outfits that have fronts and backs and can be "jazzed" up with sticker bows, fancy necklines--the possibilities are as endless as a young fashion designer's imagination! This brand-new series is truly the next generation in paper doll fun. The stickers can be used over and over, and even the paper outfits are much easier to play with than traditional clothes that are attached with those impossible paper tabs.

- * 100 reusable stickers in every book!
- * No tabs for easy dressing
- * 16 pages of paper outfits
- * 4 pgs. of sticker ensembles
- * Hundreds of mix and match outfits
