What if? Your picture was taped inside teenage boys' lockers across America, your closets were bursting with never-worn designer clothing, and the tabloids constantly asked whether you were losing your 'good girl' status? It's a glamorous life, but 16-year-old Kaitlin Burke, co-star of one of the hottest shows on TV, is exhausted from the pressures of her fame. So she decides to spend two months undercover as an ordinary high school student. But could it be that real life high school is just as harsh as cutthroat Hollywood?
