Chameleon is tired of constantly changing colors. He blends in wherever he goes and no one ever sees him! Hippo, however, is envious of Chameleon. He would love to be a different color. Surprisingly, all of the other animals in the jungle would, too! So, Chameleon sets to work painting strips on the lion and polka-dots on the elephant. He uses every color and pattern under the sun. But, as the animals soon learn, changing their original appearance causes problems they never expected.
