装帧:Pap

isbn:9780764135798

Attractive color illustrations and easy-to-follow text combine to present factual information that younger boys and girls will readily absorb and understand. "Your Family Tree" is one in a series of four entertaining books, for very young children. It describes all the people that small children first come to know: parents, brothers and sisters, grandparents, and cousins. Four pages presenting activities for children appear at the back of the book, followed by a two-page section for parents, with tips on explaining the subject in more detail.
