Ages 3 to 7 years. Little hands will flourish as the author shows that creative expression, learning fun and respect for others can be the themes of engaging Christmas activities. Acts of Kindness encourage kids to do what comes naturally -- giving, caring and thinking of others at this special time of year. Quick and Easy sections provide simpler

yet similar activities and crafts for younger children to do in shorter timer periods.  
Other sections include Waiting Games, Activities and Games Range, Light up the Night.
