When rogue gypsy boy Freedom Smith runs into trouble with the law, he strikes a deal with the police: Instead of going to prison for a crime he didn't commit, he'll go undercover -- and underground -- using his incredible strength and boxing skills to infiltrate a nefarious, high-tech fight club known as The Bear Pit. His mission: to save other street children from the terrible fate the Pit has in store for them. Freedom thinks he can trust Java, his newfound friend, with his secret life. If only he knew that this high-spirited, upper-class girl has a secret of her own....
